EXPERIENCE

Partnership & Community Associate – Remotify.id	June 2025 - Now
• Initiated and managed high-impact collaborations with university organizations, media partners, and creative communities to expand the reach of global remote career guidance programs. • Managed community platforms, facilitating interactive discussions, mentoring sessions, and knowledge-sharing initiatives for students and fresh graduates. • Coordinated and executed cross organizational events, including campus career accelerator workshops, cafe talks, and webinars delivering high attendee turnout and brand exposure. • Built and maintained strong relationships with academic partners, industry speakers, and student representatives to ensure long-term collaboration.	

Head of Division Public Relations – GEKRAFS Kampus NTB	January 2026 - Now
GEKRAFS Kampus NTB is an organization operating under the Ministry of Creative Economy.	
• Developed communication strategies to increase creative economy awareness among students in West Nusa Tenggara. • Built partnerships with local government, media, and creative industry stakeholders. • Managed digital content and media coverage to maintain consistent messaging and organizational image. • Led PR initiatives including press conferences, networking events, and social media campaigns.	

Social Media Specialist Intern – Office of International Affairs UNRAM	February 2025 – February 2026
• Design monthly content strategies that align with target audiences as a content planner. • Write engaging and communicative social media captions as a copywriter. • Draft and edit press releases to enhance the organization's image on various social media platforms. • Contribute in managing digital communication and maintaining the consistency of the organization's branding.	

Head of Division Public Relations – Novo Club by Paragon Corp	December 2024 – December 2025
• Coordinate the public relations scope of Novo Club Region 9 which includes Bali, NTB and NTT Provinces. • Responsible for enhancing the organization's cooperation with external partners such as Sponsorship Partner, Media Partner, and Community Partnership. • Establish mutual communication with the public and partners to create mutual understanding. • Evaluate the organization's programs, especially those involving the public and partners.	

Media Center Crew – MotoGP Indonesia 2024 & 2025

September 2024 & October 2025

- Facilitated and accompanying 190+ national and international media representatives, ensuring seamless coverage and addressing diverse journalistic requirements throughout the event.
- Provided essential operational data to media personnel, including circuits layouts, shuttle logistics, and media scrum schedules, to ensure efficient reporting and broadcasting workflows.
- Managing media databases and monitoring press publications (media tracking) to ensure the accuracy of message delivery and maintain a positive image of MotoGP on various platforms.

PROJECT

BioMaggot Cleanse (Student Creativity Program 2024) – Public Relations April – September 2024

An entrepreneurial project funded by the Ministry of Education and Research through the Student Creativity Program (Program Kreativitas Mahasiswa).

- Developed, marketed, and commercialized innovative and natural liquid soap products made from maggot oil, tofu pulp waste, and rice husk waste.
- Managed end-to-end partner relations and project documentation, ensuring clear communication and seamless collaboration across all external stakeholders.
- Awarded an IDR 8M grant by the Ministry of Education to lead and realize the project from ideation to market distribution.
- Expanding market reach nationwide by successfully distributing and selling products to customers outside the region through targeted marketing strategies.

Deodorant Spray (Student Creativity Program 2023) – Team Leader

June – September 2023

An entrepreneurial project funded by the Ministry of Education and Research through the Student Creativity Program (Program Kreativitas Mahasiswa).

- Developed, marketed, and commercialized deodorant products made from natural ingredients such as orange peel waste and wild plant gotu kola leaves.
- Lead all team activities from planning through implementation, and implement progress monitoring and performance evaluations to ensure project goals are reached.
- Awarded an IDR 10M competitive grant by the Ministry of Education to lead and realize the project from ideation to market distribution.
- Selected among the top 1% of national teams to advance to the culminating event (PIMNAS) at Universitas Padjadjaran.
