- **Strategy:** Full-funnel campaign planning, trade marketing, paid influencer promotion
- **Commercial:** Marketing budget planning, market-fit and pricing research, ROAS optimization
- **Content:** Monthly content planning, awareness and conversion copywriting

PROFESSIONAL EXPERIENCE

PT. Media Periklanan Indonesia

Performance Marketing Manager

2025 – Present

- Manage performance marketing for a four-brand portfolio (three retail brands and one clinic service brand), owning campaign strategy, trade marketing, paid advertising, and budget planning end to end.
- Grew quarterly revenue by up to 25% and lifted profit from 21% to 30% of total GMV by rebalancing budget allocation across brands and sharpening product and price positioning.
- Run market-fit research covering product variants and pricing, turning the findings into direct inputs for campaign angles and trade promotions.

Content & Digital Marketing Specialist

2024 – 2025

- Tripled brand sales within six months by designing and running a full-funnel strategy that connected organic content to paid campaigns across TikTok Ads Manager, Meta Ads, and Shopee Ads.
- Maintained profitable ad performance at scale — average ROAS of 6+ on TikTok Ads, 4 on Meta CPAS, and 15 on Shopee Ads — by testing creative and copy against each stage of the funnel.
- Built monthly content planners and wrote copy for both awareness and conversion objectives, keeping messaging consistent from organic feed content through to paid ads.

Indonesia Premium Goods

Social Media Specialist

2022 – 2024

- Increased social media engagement by 70% for two brands (iswhite and All Perfect) through monthly content planning and copywriting structured around separate awareness and sales objectives.
- Drove traffic and sales to Shopee at an average ROAS of 7 by producing CPAS content and running it through Meta Ads.
- Supported the brands' paid influencer promotions, structuring promo schemes so influencer content fit within the wider marketing strategy.
