SUMMARY

Communication Science graduate with hands-on experience in public relations, media partner relations, and event communication, gained through a government communications internship, Head of PR roles in student organizations, and multiple event committees. Skilled in writing press releases and news articles, coordinating publication partnerships, and planning communication for events while keeping messages aligned with brand and communication guidelines. A communicative, proactive, and creative individual who thrives under deadlines, both independently and within a team.

EDUCATION

Bachelor of Communication Science | Universitas Padjadjaran, Pangandaran Campus | 2022 – 2026

- GPA: 3.61 / 4.00
- Active in student organizational leadership and public relations; strong interest in media relations, corporate communication, and event communication

INTERNSHIP EXPERIENCE

Social Media Strategist Intern | Dinas Kominfo Daerah Istimewa Yogyakarta | Jul – Aug 2025

- Wrote press releases and news articles from government events for the official website and social media, keeping content accurate, informative, and aligned with institutional communication standards
- Supported event operations, including live streaming virtual events with OBS Studio, and worked with design and production teams from concept to publication to keep content on schedule
- Wrote 23 content copies and captions, including 3 article-based contents, adapting tone of voice to reach both government and general public audiences
- Assisted public complaint services by monitoring, verifying, and forwarding public reports from social media to the relevant government agencies through SP4N-LAPOR! and E-Lapor DIY

ORGANIZATIONAL EXPERIENCE

Head of Public Relations Division | Hima Ilkom Unpad PSDKU | Mar – Dec 2024

- Led the division's internal and external communication, and coordinated publication partnerships with media partners for all HIMA events, keeping promotional materials aligned with each event's branding
- Planned publication calendars and supervised publication and information dissemination across platforms, keeping tone of voice and brand identity consistent

Public Relations, Communication & Dedication Staff | Hima Ilkom Unpad PSDKU | Mar – Dec 2023

- Helped build the organization's image, disseminate information, and establish relations with internal and external parties
- Created social media content, including captions, media partner posts, and event updates, and took part in community service programs

Member of Interest and Talent Division | BEM Kema Unpad PSDKU | May 2023 – Mar 2024

- Coordinated and organized activities for student arts, sports, and skills organizations (UKM)

EVENT COMMITTEES

In PR roles across these events, responsibilities typically included writing press releases and event captions, planning publication schedules, coordinating publication partnerships with media partners, promoting events on social media, and working with design and event teams to keep materials aligned with each event's branding and delivered on time.
