Pondok Ungu Permai Sektor 5 Blok Q5/20 Bekasi, Jawa Barat

I am a fresh graduate with a focus in digital marketing. With a passion for the dynamic world of marketing, I have actively participated in various activities and opportunities to enhance my skills. Notably, I had the privilege of Magang Merdeka, where I worked within the marketing communication division. This experience allowed me to gain valuable insights into the industry and develop practical expertise in promoting products and brands effectively. Throughout my academic journey, I have consistently maintained a GPA above 3.7, and has graduated with honors (cum laude). Demonstrating my commitment to academic excellence.

Education Level

Universitas Negeri Jakarta - East Jakarta

Diploma in Digital Marketing, 3.78/4.00

Work Experiences

PergiKuliner - Grogol, West Jakarta

Aug 2022 - Dec 2022

Marketing Communication

Managed strategic partnerships with restaurants and business stakeholders to enhance brand visibility, expand business opportunities, and support company growth. Conducted market research and analyzed marketing data to identify industry trends, resulting in the development of a database of 100+ potential partners aligned with the company's objectives. Developed partnership and marketing strategies to support long-term business growth, established communication protocols to ensure effective coordination between internal and external stakeholders, and built strong relationships with clients and partners by providing timely responses and tailored solutions to meet their needs. Additionally, supported partnership outreach, negotiations, and stakeholder engagement initiatives to identify new collaboration opportunities and contribute to business development efforts.

Tempo Media – Palmerah, South Jakarta

April 2026 - Now

Account Executive

Develop and manage strategic relationships with brands and corporate clients by identifying business opportunities and delivering customized media, advertising, and integrated marketing solutions to achieve revenue targets and foster long-term partnerships. Manage the entire sales cycle, including prospecting potential clients, conducting market and client research, developing tailored proposals based on client objectives, presenting Tempo Media's products and services, negotiating commercial terms, and successfully closing deals. Maintain regular communication with clients to ensure campaign objectives are met, strengthen client satisfaction, and identify upselling and cross-selling opportunities that drive sustainable business growth.

Organisational Experience

Student Council - Bekasi, Jawa Barat

Nov 2017 - Dec 2018
