PROFESSIONAL EXPERIENCE

Account Manager

April 2023 – September 2024

PT Inovasi Sukses Sentosa (Indotrading.com), Jakarta

- Managed communication and ongoing relationships with 10+ government institutions per month (including ministries with multiple divisions) by running introductory meetings and routine check-ins on platform updates and procurement needs.
- Resolved client and technical issues within a 24-hour response standard by triaging requests, coordinating with IT and relevant teams, and prioritizing by urgency, reducing average resolution from 24 hours to approximately 3 hours.
- Recovered a major seller relationship that had paused government procurement by personally handling the complaint from first contact through resolution, restoring the seller's participation in ongoing government transactions.
- Onboarded a new government buyer from outside Java (an institution unfamiliar with the platform) by approaching, presenting, and coordinating through three completed procurement transactions.
- Coordinated internal team meetings and government-facing events, managing communication flow across sales, IT, and partner institution contacts.

Marketing Communication

November 2022 – March 2023

- Handled 10+ media partnerships with national-scale event companies, managing the full cycle from outreach and negotiation through NDA, on-site coordination with IT and sales teams, and post-event reporting.
- Produced 30+ multi-channel content pieces (video tutorials, posters, and thumbnails) across YouTube, Instagram, LinkedIn, Facebook, and the company website, averaging 200+ account reach per post.
- Wrote a press release and partnership announcement for a collaboration with a national bank (BRI), and designed the accompanying social media content to build credibility with government buyers and sellers.
- Co-organized a government-facing national event in Bandung, designing promotional materials and broadcast content independently, and reaching 50+ PP and PPK officials from local government agencies.
- Supported campaign planning and evaluation using Google Analytics and Meta Analytics, contributing to content and channel performance review.

Freelance Content Writer
Catatan Bunda & PenulisJaya.com, Remote

2018 – 2023

- Wrote 250+ SEO articles and news pieces over four years across topics including public affairs, education, health, and family, adapting tone to audience and platform while keeping Indonesian-to-English transitions readable.
- Conducted independent research and translated complex information into clear, reader-friendly content for multiple publishers.
