Bachelor's Degree in International Relations with 8+ months of experience in partnership development and stakeholder engagement, gained through a Partnership Specialist internship (MSIB Batch 7) at an HR consulting company and as Head of the Partnership Division at BEM FISIP. Through these roles, I have coordinated programs and outreach with universities, vocational schools, career communities, and student organizations. I am also skilled in communication, public speaking, content writing, and journalism, which I have applied to support programs, communicate information clearly, and build relationships with different stakeholders. I'm ready to contribute my communication, coordination, and relationship-building skills to support organizational programs and public engagement initiatives.
