SUMMARY

Communication Science graduate (GPA 3.86/4.00) from Telkom University with a concentration in Marketing Communication and experience in Public Relations, Corporate Communication, content creation, stakeholder engagement, and event support. Experienced in developing communication materials, managing corporate communication content, coordinating with internal and external stakeholders, and supporting corporate events and initiatives. Skilled in building and maintaining professional relationships with stakeholders, partners, and external parties. Experienced in preparing reports, proposals, meeting documentation, and other communication materials to support organizational activities. Strong communication, interpersonal, and organizational skills with a detail-oriented and proactive approach. Able to work collaboratively, manage multiple tasks, and adapt to dynamic working environments. Eager to contribute communication and relationship-building skills to support effective public relations and corporate communication initiatives.
