Public Relations | Corporate Communications | Media Relations & Community Engagement

PROFESSIONAL SUMMARY

Dynamic and multi-skilled International Relations graduate with hands-on experience across corporate communications, community development, media relations, and digital content strategy. Proved expertise through 69+ published media pieces and over 100 visual assets across newsroom, corporate, and digital environments. Highly skilled in translating complex policy or brand data into impactful narratives, managing cross-functional stakeholder relations, and steering community engagement. Formally trained via an intensive Public Relations execution bootcamp, blending journalism insights with strategic communications to elevate brand visibility and audience engagement.

WORKING EXPERIENCE

Gritty.id

Partnership & Collaboration Intern | March 2026 – July 2026

- Formulated comprehensive partnership strategies targeting universities, student networks, and external institutional partners to scale brand footprint.
- Identified, screened, and onboarded potential collaborators and micro-influencers (5K–10K followers) to support education-driven campaigns.
- Drafted tailored business proposals, outreach communications, and strategic briefings for external partners and keynote speakers.
- Analyzed and explored business-to-business (B2B) collaboration funnels, pitch competitions, and alumni networking initiatives to foster active community engagement.
- **Achievements:** Effectively mapped and expanded the organization's campus outreach network, directly contributing to more collaborative campaigns and improved external engagement pipelines.

Dibimbing

Public Relations Bootcamp Participant | November 2025 – March 2026

- Completed an intensive, practical curriculum covering strategic corporate communication, media relations, crisis management, and digital PR.
- Developed comprehensive strategic PR assets including press releases, executive briefing documents, media kits, and targeted multi-platform campaigns based on thorough market research.
- Designed full-cycle event proposals detailing thematic concept development, stakeholder mapping matrices, budget allocations, and technical run sheets.
- Participated in simulated agency pitches, cross-party negotiation exercises, public speaking modules, and the collaborative execution of a capstone PR event.
- **Achievements:** Built a robust portfolio of corporate communication collateral, mastering industry-standard PR tools, crisis mitigation, and media pitching strategies.

kumparan – Jakarta, Indonesia

Community Development Intern | May 2026 – June 2026

- Managed 23 WhatsApp communities and 5 Telegram communities while ensuring effective communications and active member engagement.
- Created and distributed community newsletters across WhatsApp and Telegram channels to share content, updates, and announcements.
- Maintained day-to-day community interaction workflows and ensured timely, structured responses to user inquiries.

- Supported targeted community engagement initiatives and multimedia content creation in close alignment with cross-functional teams.
- Contributed to the end-to-end execution of both online and offline community events.
- Generated innovative content ideas during team brainstorming sessions focused on community engagement campaigns and event planning.
- **Achievements:** Maintained consistent communication workflows across 28 distinct community groups, enhancing audience interaction metrics and strengthening brand loyalty.

detikcom – Jakarta, Indonesia

Digital Journalist detikX Intern | November 2025 – April 2026

- Produced advocacy-oriented governance and public policy digital content aligned with social accountability frameworks to drive evidence-based public communication.
- Researched, drafted, and published 21 in-depth long-form features, editorial pieces, and news briefs through targeted stakeholder interviews and document analysis.
- Conducted high-level interviews with policymakers, state representatives, and key social actors to aggregate balanced insights.
- Collaborated daily with editors in a high-pressure newsroom environment to manage publication workflows, copywriting, and narrative planning.
- Monitored public discourse, curated press clippings, executed qualitative data analysis, and synthesized complex policies into accessible media narratives.
- **Achievements:** Successfully translated complex legislative and public data into 21 published high-impact investigative articles, elevating public policy dialogue and reader comprehension.

Tempo Media – Jakarta, Indonesia

Reporter Intern | April 2025 – August 2025

- Authored and published 52+ policy-focused articles spanning Tempo.co, Tempo Plus, Tempo English, and Tempo Instagram, enhancing corporate communications on economic and regulatory affairs.
- Conducted investigative interviews and media tracking to produce verified reporting under strict deadlines.
- Coordinated with multi-desk editorial teams to support content planning, media monitoring, transcription, and qualitative policy tracking.
- Ensured editorial consistency, language accuracy, and precise fact-checking across all print and digital properties.
- **Achievements:** Maintained a high-volume output of 52+ accurately published articles across diverse local and international digital desks, broadening audience cross-border outreach.

International Relations Student Association of Pelita Harapan University – Tangerang, Indonesia

Event Member Intern | January 2022 – October 2022

- Designed 61 digital visual assets and 2 corporate video projects for specialized institutional Instagram channels (@irsportsworld and @kpuhmpshiuph) using Canva and PowerPoint.
- Assisted in planning flagship academic forums, coordinating agendas, managing external communications, and keeping event schedules.
- Authored internal operational documentation including standard operating procedures (SOPs), cue cards, speaker briefs, and smartbooks.
- Managed virtual event technical systems via Zoom, resolved attendee technical issues, and curated post-event documentation.
- **Achievements:** Secured unified brand styling across all promotional networks while successfully managing live technical operations for high-attendance academic events.

EDUCATION

University of Pelita Harapan (UPH) | 2021 – 2025
