Digital Public Relations graduate with hands-on experience in public relations, corporate communication, media monitoring, press release development, event documentation, and content communication. Experienced at PT Kereta Api Indonesia (Persero) in supporting media monitoring, press release development, and corporate events, contributing to 2M+ monthly media exposure score. Also experienced in developing communication content and audience engagement for consumer brands, with 25+ TikTok videos/month and 30+ marketing content/month that contributed to measurable engagement growth. Strong in developing clear communication materials, monitoring media responses, and coordinating with internal teams and stakeholders.

WORK EXPERIENCES

PT SUMBER ALFARIA TRIJAYA Tbk (Internship)

Okt 2025 - Aug 2026

Social Media Specialist Marketing

- Managed TikTok content production by developing 25+ videos/month, from content planning and scripting to execution, contributing to 40% engagement growth within approximately 3 months.
- Developed 200+ copies and micro-scripts using audience-oriented messaging and A/B approaches, contributing to a 30% increase in engagement rate.
- Created campaign briefs covering content angles, hooks, CTAs, and visual narratives to maintain consistent brand communication.
- Monitored content performance through views, watch time, CTR, and engagement metrics to identify audience preferences and improve future communication strategies.
- Handled audience interactions through Instagram/TikTok comments and DMs, supporting timely responses and customer communication.
- Prepared monthly engagement and campaign performance reports to provide insights for content and communication decisions.
- Edited social media feed content for Alfaexpress, ensuring visual consistency with campaign and brand communication needs.

BANDUNG TIRIS CREATIVE MEDIA (Internship)

Jan 2025 - Mar 2025

Copywriter

- Produced more than 30 marketing contents per month across multiple client accounts.
- Monitored content performance and prepared analytical reports for campaign evaluation.
- Conducted competitor benchmarking and social media trend analysis to optimize campaign strategy.
- Increased client engagement by 45% within two months through data-driven content optimization.

PT KERETA API INDONESIA (PERSERO) (Internship)
