SUMMARY

A seasoned communications and marketing professional with 10+ years of experience driving impactful results in Indonesia's telecommunications/ICT and Sharia banking sectors. Proven ability to develop and execute comprehensive communication and marketing strategies, enhancing brand visibility, fostering positive corporate reputation, driving employee engagement, and demonstrably improving business outcomes. Expertise includes strategic planning, media relations, CSR, sponsorship management, digital marketing, and stakeholder engagement.

EXPERIENCE

PT APLIKANUSA LINTASARTA – Jakarta, Indonesia
Corporate Communication Expert/ Junior Manager (June 2022 – Dec 2023)

I. Strategic Communications:

- Develop and implement annual corporate communication strategies aligned with business objectives, encompassing external communication, internal communication, and CSR initiatives.
- Establish and monitor KPIs to measure the effectiveness of corporate communication programs and ensure achievement of company targets.
- Manage the PR consultant procurement process, overseeing selection and performance to support program execution.
- Oversee the execution of all corporate communication activities, ensuring adherence to timelines, budgets, and strategic goals.
- Develop and implement crisis communication plans in collaboration with PR consultants, ensuring preparedness for potential issues.
- Maintain brand consistency across all communication materials and channels, enforcing proper use of corporate identity guidelines (logos, colors, fonts, etc.).

II. External Communications & Media Relations:

- Serve as the primary corporate spokesperson and communication representative in corporate actions and public engagements.
- Cultivate and maintain strong relationships with national and regional media through proactive engagement, including media gatherings, press visits, and other outreach programs.
- Develop and disseminate press releases, media kits, and other relevant materials for company announcements and publications.
- Manage the production of the company's annual report in collaboration with external agencies, ensuring timely and accurate delivery.
- Identify, prepare, and participate in relevant national and international award programs to enhance company recognition and brand reputation.
- Plan and execute external corporate events, including press conferences, product launches, and other public-facing activities.

III. Internal Communications & Employee Engagement:

- Plan and execute internal corporate events, such as company anniversaries, town halls, employee recognition programs, and other engagement activities.
- Develop and implement an internal communication strategy, including content creation and management of internal communication channels (e.g., intranet portals, internal apps, newsletters).
- Develop internal communication programs to foster employee engagement, improve internal communication flow, and reinforce company culture.

IV. Corporate Social Responsibility (CSR):

- Develop short-term and long-term CSR strategies and blueprints aligned with the company's values and business objectives.
- Design and implement impactful CSR programs that enhance the company's reputation and contribute positively to the community.
- Identify and secure strategic partnerships and collaborations with relevant organizations to maximize the effectiveness and reach of CSR initiatives.

V. Sponsorship Management:

- Manage the entire sponsorship lifecycle, from proposal development (including budget and benefit analysis) and coordination with internal and external stakeholders, to implementation, monitoring, and post-event reporting.
- Evaluate sponsorship opportunities to ensure alignment with company objectives and maximize return on investment.

VI. Digital Communications:

- Oversee the company's website, including content development, design updates, and ongoing maintenance to ensure an effective online presence.
- Develop and implement social media strategies, creating engaging content and managing social media channels to enhance brand visibility and engagement.
- Monitor online reputation and address any online issues or concerns.

Corporate Communication Senior Officer (September 2019 – June 2022)

I. Strategic Communications:

- Developed and implemented annual corporate communication strategic plans encompassing external communication, internal communication, and CSR activities for Lintasarta.
- Managed the procurement process for corporate communication consulting services, ensuring selection of appropriate vendors.
- Led the procurement of various vendors including Event Organizers and other relevant service providers.
- Contributed to crisis communication management by coordinating with consultants and internal teams.
- Conducted media monitoring to safeguard company reputation and identify external issues/events with potential impact.
- Ensured consistent application of corporate identity guidelines (logos, colors, etc.) across all company materials and channels.

II. External Communications & Media Relations:

- Planned and executed various external corporate events, including press conferences and other public-facing activities.
- Cultivated and maintained positive relationships with national and regional media through proactive media relations initiatives such as media gatherings and visits.
- Prepared media kits, including press releases and other supporting materials for company publications and announcements.
- Prepared speeches and briefing materials for the Board of Directors for both internal and external events.
- Proposed, prepared, and participated in national and international award events to enhance company recognition.

III. Internal Communications & Employee Engagement:

- Planned and executed various internal corporate events such as company anniversary celebrations, town halls, and activities commemorating national holidays.
- Led the procurement process for the company's internal application.

IV. Corporate Social Responsibility (CSR):

- Designed and implemented CSR programs to enhance the company's positive reputation and community impact.
- Identified and secured strategic partnerships and collaborations to maximize the effectiveness of CSR programs.

V. Sponsorship Management:

- Managed the entire sponsorship lifecycle, from proposal development (including budget and benefit analysis) and coordination with internal and external stakeholders, to implementation, monitoring, and post-event reporting.

PT BANK BNI SYARIAH – Jakarta, Indonesia

Corporate Communication Officer (January 2017 - September 2019)

I. Strategic Communication:

- Collaborated with corporate communication consultants to develop strategic communication plans encompassing external and internal audiences.
- Managed the procurement of corporate communication consulting services, event organizers, and other relevant vendors.
- Contributed to crisis communication management by coordinating with consultants and internal teams.
- Conducted media monitoring to protect the company's reputation and identify potential external issues.

II. External Communications & Media Relations:

- Planned and executed various external corporate events, including press conferences and other public-facing activities.
- Cultivated and maintained strong relationships with national and regional media through initiatives such as media gatherings, media visits, and the establishment of an Islamic Economic Journalists community in several cities.
- Prepared media kits, including press releases, promotional items, and other materials for company publications and events.
- Prepared speeches and briefing materials for the Board of Directors for both internal and external events.

III. Internal Communications & Employee Engagement:

- Planned and executed various internal corporate events, such as company anniversary celebrations, town halls, and national holiday commemorations.
- Prepared Board of Directors' messages related to strategic company information for dissemination to all employees.
- Designed and implemented employee engagement programs, including the establishment of internal hobby communities.
- Organized and executed BoD Teaching (Islamic economic literacy roadshow) as part of internal communication strategy.

IV. Corporate Social Responsibility (CSR):

- Designed and implemented CSR programs to enhance the company's positive reputation and community impact.

V. Sponsorship Management:

- Managed the full sponsorship lifecycle, from proposal development (including budget and benefit analysis) and coordination with internal and external stakeholders, to implementation, monitoring, and post-event reporting.

VI. Brand Management & Digital Presence:

- Maintained consistent application of corporate identity guidelines (logos, colors, etc.) across all company materials and channels.
- Managed the company's corporate website.

Marketing Communication Officer (January 2014 - January 2017)

I. Marketing Communication Strategy:

- Developed marketing communication strategies for fund and financing products, utilizing various programs including brand/product activations, exhibitions, and other marketing initiatives.
- Managed the full lifecycle of marketing activities, encompassing planning (budgeting, proposal development, target projections, communication/promotion strategies), execution (vendor coordination, procurement of marketing/publication materials, field sales team coordination), and reporting (sales performance analysis, evaluations, and recommendations).

II. Sponsorship Management:

- Managed the complete sponsorship process, from proposal development (including budget and benefit analysis) and coordination with internal and external stakeholders, to implementation monitoring and post-event reporting.

III. Vendor & Procurement Management:

- Managed the procurement of Event Organizer services (as needed), promotional merchandise, and other marketing collateral.

IV. Digital Marketing & Content Creation:

- Managed the company's digital marketing presence, developing and implementing regular social media communication strategies in collaboration with vendors.
- Created marketing content for the company website and other digital channels.

Officer Development Program (May 2013 - December 2013)

- Successfully secured a position in PT Bank BNI Syariah's highly competitive Officer Development Program (ODP), after competing with over 10,000 applicants across Indonesia.
