ABOUT ME

I just completed my studies in Indonesian Literature at the end of 2025, during which I developed strong skills in writing and Indonesian linguistics. For 2 consecutive years, I actively participated as a staff member in two different roles within a faculty-level religious organization, strengthening my teamwork, communication, and coordination skills.

I'm now seeking opportunities to thrive in creative industries—particularly in film, media, or news-related writing roles.

PROFESSIONAL EXPERIENCE

Copywriter Intern Pansos Creative

06/2026 - 09/2026 South Jakarta, Indonesia

Pansos Creative is a 360-degree digital marketing agency that provides services ranging from brand strategy and social media management to content production, paid campaigns, and performance analysis.

- Drafting captions for social media content.
- Drafting compelling hooks and CTAs.
- Writing short scripts for content needs.
- Researching trends and gathering content references.
- Using AI tools responsibly while reviewing and adjusting the results to ensure they sound natural.
- Optimizing copy to make it engaging and tailored to the characteristics of each platform (Instagram, TikTok, and others).
- Assisting in preparing copy for ads or campaigns.

AI Content Translator - Freelance Kita AI

05/2026 - 06/2026 Remote Working / Work From Home (WFH)

- Localized and reviewed English-language AI learning modules for Indonesian users, maintaining consistent terminology with semiformal tone across every lesson and quiz section.

Content Writer - Internship Suara Merdeka Network

07/2023 - 09/2023 Semarang, Indonesia

Suara Merdeka Network is the largest and oldest media network in Central Java, based in Semarang, which publishes a print newspaper and operates digital/online platforms, while also engaging in marketing activities.

- Monitored and selected the latest and most relevant news from various sources.
- Coordinated with supervisors to evaluate and determine which news to publish.
- Wrote captions for 87 published news posts on Suara Merdeka Network's official Instagram account, and submitted them to the supervisor for approval before publication.
