PROFESSIONAL SUMMARY

Results-driven Marketing Communications and Brand Strategy Professional with over 7 years of experience in cross-functional marketing campaigns, digital advertising, and high-impact corporate activations. Proven track record in orchestrating high-visibility public relations operations, managing end-to-end event production, and scaling digital media products—including producing official podcasts garnering tens of thousands of views. Expert in aligning corporate social responsibility (CSR) initiatives with brand growth, fostering strategic community relations with law enforcement and local government, and boosting sales performance through data-backed marketing initiatives.

PROFESSIONAL EXPERIENCE

MARKETING COMMUNICATIONS SPECIALIST

2019 – Present

JNE Depok — Depok, Indonesia

- Architected and executed end-to-end digital marketing and multi-channel advertising initiatives across Instagram and YouTube, significantly improving local brand equity and conversion metrics.
- Spearheaded integrated promotional assets and tactical campaigns across social, digital, and print media, generating measurable pipeline support for the core sales and business development teams.
- Cultivated strategic long-term relations with regional journalists, radio networks, and print publications, maximizing positive earned media share of voice during critical corporate milestones.
- Conceptualized and directed prominent corporate activations, including annual customer appreciation gatherings, high-value merchant incentive programs, and major multi-stakeholder internal conferences.
- Served as Executive Producer and Principal Host for the official JNE Depok Podcast series, establishing a continuous 2-episode monthly publication cycle that successfully generated high-volume digital engagement (reaching over 39,000+ targeted views per episode).
- Coordinated high-impact crisis response logistics and public safety initiatives, acting as Organizing Chairman for regional mass vaccination drives in direct strategic partnership with the Beji Depok Police Force.
- Formulated and executed targeted corporate social responsibility (CSR) initiatives, managing the logistics, strategic donation, and distribution of essential medical supplies (oxygen tanks to RSUI Depok) and community development assets (100 Braille Al-Qur'ans to the Indonesia Hijau Foundation).
- Directed cross-functional sponsorship activation frameworks to fully optimize corporate partner investments, maximize physical and digital booth footprint positioning, and elevate overall ROI.
