SUMMARY

Social Media Specialist with over 2 years of proven experience in building and managing digital content across Instagram, TikTok, X, Facebook, and YouTube. Skilled in developing creative campaigns, executing content strategies, and analyzing performance to drive audience growth and engagement, with experience collaborating across editorial, creative, and commercial teams to deliver impactful storytelling that balances brand objectives with audience needs. Portfolio available at [here](#) with a strong background in content production, graphic design, copywriting, and trend-based digital storytelling, and recognized for being detail-oriented, collaborative, and consistently eager to explore innovative approaches in the ever-evolving digital landscape.

EXPERIENCE

ECONUSA FOUNDATION – Jakarta, Indonesia

Creative Content Creator Penjaga Laut @jagalaut.id (July 2021 – March 2023)

- Create visual content with Adobe Creative Apps.
- Constantly update with social media trends and create trend-relevant content.
- Created and uploaded 332 Instagram content items in the forms of infographics and creative videos, as well as posted more than 600 tweets.
- Achieved a growth of 6,000+ Instagram followers, reached over 1,000,000 accounts, received 36,850 profile visits on Instagram, and maintained an average organic engagement rate of 10.7% on the platform throughout 2022.
- Interact with followers, reply to DMs and provide the feedback they need.
- Develop a content plan that aligns with the brand's identity and purpose in collaborating with a social media strategist.
- Analyze social media developments with supporting tools such as Instagram Insight and Twitter Analytics.

KOMPAS.COM – Jakarta, Indonesia

Social Media Specialist (Expertise in Marketing) | January 2024 – December 2025

- Responsible for planning, producing, and managing daily content across Kompas.com's social media platforms, with a focus on aligning storytelling with editorial strategy and audience engagement. Collaborate closely with editorial, creative, and commercial teams to ensure consistent tone and visual identity.
- Work with clients from various industries to transform marketing briefs into compelling, audience-focused content, maintaining a balance between brand messaging and the journalistic voice of Kompas.com.
- Support cross-platform content development by integrating trend analysis, audience behavior insights, and data-driven storytelling to enhance reach and relevance.
- Initiated and led the original automotive content series **"Favorit Sejuta Umat"** on Kompas.com and Kompas.Otomotif's social media platforms. Successfully collaborated with major automotive brands such as BAIC, Wuling, JETOUR, and Yamaha—resulting in total project sales exceeding IDR 100 million.
- Contributed to the development of **"XPLORE Trending"**, an editorial program that combines high-performing articles with AI-assisted content curation, distributed through Kompas.com and its social media platforms. This initiative was submitted to the "Ideation Next KG Media 2024" innovation challenge, where it ranked 3rd across all business units. The program continues to run successfully to this day.
- Initiated and led the original documentary series **"Ekspedisi Telusur Karsa"** on Kompas.com, focusing on profiling UMKM across Indonesia in 9 compelling episodes. Successfully highlighted the impact of local businesses on the economy, resulting in total project revenue exceeding IDR 100 million, with high engagement on IG Reels.

SHOPEE – Jakarta, Indonesia

Director/Supervisor – TVC & UGC Video Production | 2025

- Directed and supervised the production of Shopee's official **TVC** ([TVC](#)) and **UGC campaign video** ([UGC Video](#)), part of the **UMKM Seller Shopee Story** featuring **Intresse**.
- Oversaw the creative process from concept development to final execution, ensuring alignment with brand identity and campaign objectives.
- Ensured all production phases were executed according to **timeline** and delivered within schedule.
- Guided the creation of a **visual storyboard** that resonated with the campaign theme "*Sukses Berkarya Sebelum 30*" and met Shopee's creative brief.
- Supervised **talent briefing**, including the UMKM seller (Intresse), to maintain authentic and engaging storytelling.
- Coordinated with production teams, talents, and creative stakeholders to deliver high-quality video assets on time.
- Ensured **background selection complied with copyright rules**, aligning music with the narrative tone and legal standards.
- Maintained strong focus on **storytelling clarity, audience engagement, and message authenticity** across both TVC and UGC video formats.

OLX INDONESIA (PT Astra Digital Mobil) – Jakarta, Indonesia

Creative Analyst & Social Media Specialist | December 2025 - Present

- Responsible for end-to-end content production across OLX Indonesia and OLXmobbi platforms, covering ideation, execution, and performance evaluation.
- Develop and execute daily content for OLXmobbi, including 2 carousel posts, 4–5 Instagram Stories, and 3 Reels per week.
- Handle content planning (conplan), including ideation, scripting, shooting, and editing to ensure consistency with brand tone and campaign objectives.
- Lead Social Media Account (SA) content production, including ideation, scripting, shooting, supervising, editing, and reporting performance.
- Produce OLX Dealer content (by request), including ideation, scripting, on-camera hosting, and editing (2 times per month).
- Responsible for reviewing and approving content internal and KOL collaboration (from CURV as Agency production & Always On) on OLX Social Media platform. [Here's the example](#)
- Develop YouTube content for OLX, including car review scripting and on-camera hosting (scheduled content rollout). [Here is the video](#)
- Handle ad-hoc projects, including Marcomm collaborations (e.g., Khong Guan), covering production, editing, reporting, and stakeholder coordination.
- Execute omnichannel and paid ads content (boost ads), including scripting, shooting, and editing.
- Manage Threads engagement through OLXmobbi account, generating interactive responses and maintaining active audience interaction.
- Actively respond to daily direct messages (DM) across social media platforms to maintain audience engagement and service quality.
- Manage and grow UGC TikTok account ([@bekasorangada](#)) with key messaging around used cars, hybrid vehicles, and Astra ecosystem. Successfully generated 1,000,000+ total views and 90,000+ likes within the last 3 months through consistent content execution and trend-driven storytelling.
