PROFILE

A dedicated and customer-focused professional with a Bachelor's degree in Communication Studies from Tidar University (GPA: 3.63). Proven experience in live chat customer service for logistics and delivery services, skilled in handling high-volume inquiries, resolving shipment issues, and ensuring customer satisfaction through fast and accurate responses (CSAT 90%+).

Skilled in problem-solving, analytical thinking, and effective communication, with a strong ability to coordinate across teams and deliver timely resolutions. Passionate about optimizing customer experience and service efficiency through proactive support and collaboration. Maintained consistent achievement of monthly targets, demonstrating strong commitment to customer satisfaction and service excellence

EDUCATION

Tidar University Bachelor in Communication Studies GPA 3,63	Magelang 2020-2024
---	------------------------------

WORK EXPERIENCE

PTVADS Indonesia CSDP Team Leader (Email)	Yogyakarta April – Juni 2026
---	--

- Monitored team KPIs, including CSAT, Productivity, QA, and operational metrics.
- Analyzed performance gaps, root causes, case anomalies, and factors affecting agent performance.
- Conducted 1-on-1 coaching, provided feedback, and developed targeted action plans.
- Developed agent capabilities through mentoring, knowledge sharing, case reviews, and best-practice sharing.
- Prepared and delivered weekly performance reports to the SPV, highlighting team performance, key issues, and ongoing operational challenges.
- Conducted regular follow-ups and evaluations to ensure sustainable performance improvement.
- Collaborated with QA and relevant stakeholders to improve handling quality and consistency.
- Identified operational gaps and proposed improvements to SOPs and work processes.

L3 SWAT (Hard Complain Call)	March 2026 – Now
-------------------------------------	-------------------------

- Managed escalated order delivery complaints received from cross-functional teams, including **hard complaint** cases, ensuring timely and effective resolution.
- Handled a wide range of customer complaint reason codes from both buyers and sellers through phone support, delivering customer-oriented solutions.
- Provided clear information, negotiated appropriate resolutions, and maintained professional communication with customers while consistently meeting company KPIs.
- Resolved customer support tickets with a strong focus on issue resolution, achieving positive Customer Satisfaction (CSAT) scores while consistently meeting other key performance indicators (KPIs), including quality, productivity, and service standards.
- Collaborated with cross-functional teams, including Product, Payments, Claims, and Hard Complaint teams, by escalating complex cases requiring further investigation and ensuring timely end-to-end resolution.

L2 Transfer Live Chat	March 2025 – February 2026
------------------------------	-----------------------------------

- Handled failed delivery attempts, rider-related issues, unupdated order statuses, return-to-seller cases, and "delivered but not received" complaints.
- Investigate and provide timely resolutions to escalated logistics concerns

- Coordinate with internal teams, delivery partners, operations, and support teams to ensure fast and effective resolution
- Maintain a CSAT score of 90%+ by delivering empathetic and professional support
- Provide clear, accurate, and timely responses to customer inquiries
- Adhere to company policies and escalation procedures
- Achieved Top Agent and Top AMB across eight incentive periods by consistently delivering outstanding customer support and maintaining high performance standards.

Delivery Support (Email)

December 2024 – March 2025

- Handle escalated delivery-related cases involving complex technical or logistical issues
- Provide detailed solutions and communicate them effectively to both customers and internal stakeholders
- Collaborate with delivery partners, warehouses, and internal teams to resolve escalated issues
- Utilize internal tools to analyze delivery tracking, system errors, or logistical anomalies.
- Communicate with customers regarding escalated cases in a professional and empathetic manner.
- Provide timely updates and ensure customer satisfaction by delivering effective resolution

PROJECT EXPERIENCE

COMFERSARY (COMMUNICATION ANNIVERSARY)

Magelang

Project Coordinator

February – March 2023

- Led the planning and execution of events, ensuring all activities were completed on time and within scope
- Coordinated cross-functional teams to manage logistics, scheduling, and event operations
- Developed event timelines, task distribution, and workflow to ensure smooth execution
- Monitored project progress and resolved issues through effective problem-solving and decision-making
- Communicated with stakeholders, vendors, and team members to ensure alignment and successful outcomes
