Jakarta/Depok

Corporate Communications and PR professional with extensive experience managing 360° reputation programs, internal communications, and CSR initiatives. Skilled in aligning public relations strategies with business objectives and driving high-impact corporate campaigns. Proven track record in stakeholder engagement, highly proficient in digital design tools, and capable of translating data insights into strategic communication planning. Fully proficient in English (written and spoken) and thrives in fast-paced, deadline-driven environments.

Pengalaman Kerja

Dermaster Indonesia

Apr 2026 - Sekarang

Brand Activation & Partnership Section Head

- Orchestrated cross-functional workflows for all events and partnerships, to streamline complex approval processes and ensure strict adherence to project deadlines across divisions.
- Spearheaded the end-to-end execution of brand activations—from pop-up booths to large-scale exhibitions—managing vendor negotiations, venue acquisition, and logistics to consistently generate an average of 5x ROI.
- Cultivated high-value strategic partnerships across banking, media, and corporate sponsors, successfully negotiating mutually beneficial barter value schemes to maximize brand exposure and optimize budget efficiency.
- Enforced rigorous communication consistency and visual identity guidelines across 19 nationwide clinics.
- Formulated targeted product promotion strategies by analyzing consumer behavior and transaction history.
- Delivered comprehensive weekly, monthly, and quarterly performance reports.

Media Buffet Communications Agency

Sep 2023 - Apr 2026

Public Relations Associate

Notable Clients: Pertamina Lubricants, Pertamina Patra Niaga, Pertamina Hulu Energi, Transjakarta, RedDoorz, Taman Safari Indonesia and Wise

- Managed 360° corporate communication programs for SOEs, multinational corporations, and SMEs, aligning PR strategies with business objectives and reputation goals.
- Acted as day-to-day client liaison and Project Manager, overseeing timelines, workstreams, and budget planning across multiple accounts.
- Developed and distributed high-impact press releases (straight news, listicles, data-driven angles), achieving 80% pickup rate in tier-1 national media.
- Built and maintained strategic relationships with tier 1–3 media across business, economy, policy, automotive, technology, and lifestyle desks, strengthening media and influencer advocacy programs.
- Secured tier-1 interview placements (Tech in Asia, Medcom, Media Indonesia) to support executive profiling and spokesperson positioning on fintech, cybersecurity, and public policy issues.
- Conceptualized and executed strategic media engagements (Press Conferences, Media Briefings, Media Tours) with up to 100+ media attendees.
- Led integrated 360° digital PR initiatives, coordinating KOL partnerships and managing 10,000+ UGC and digital army networks to amplify corporate narratives.
- Supported two nationwide crisis communications cases, serving as media liaison and digital narrative lead, informed by analysis of 50,000+ media and social data points to guide real-time messaging adjustments.
- Guided the development of official communications materials for government stakeholders during crisis situations, ensuring message accuracy, regulatory alignment, and reputational risk mitigation.
- Liaised with LMKN (Lembaga Manajemen Kolektif Nasional) on behalf of clients, coordinating communications materials and ensuring alignment between corporate messaging and government-related stakeholders.
- Executed SEO-driven digital PR initiatives and analyzed media performance metrics, sentiment trends, and share of voice to strengthen data-driven planning and reputation strategy.

Media Buffet Communications Agency

Oct 2023 - Aug 2024
