Social Media Analytics | Digital Marketing & Strategy
| Sales & Customer Operations

PROFESSIONAL SUMMARY

Communication Science graduate (Cum Laude, GPA 3.70/4.00) with experience in social media analytics, digital communication, market research, and sales support. Skilled in analyzing audience insights, developing data driven recommendations, and preparing analytical reports to support communication and business objectives. Experienced in customer service, sales administration, and collaborating on digital and brand strategy initiatives. A proactive and adaptable individual with strong analytical, communication, and teamwork skills developed through professional and organizational experiences.

EDUCATION

Universitas Pancasila | Oct 2019 - Jan 2025

- **Bachelor of Communication Science**
- **GPA: 3.70 / 4.00 (Cum Laude)**

WORKING EXPERIENCE

PT. iNews Media Group (MNCN) – Central Jakarta, Indonesia

Social Media Analyst, Intern | Nov 2025 - May 2026

- Analyzed multi-platform social media performance across YouTube, Instagram, Facebook, TikTok, and X (Twitter) accounts to design optimization blueprints and accelerate audience growth strategies.
- Managed, updated, and audited daily, weekly, and monthly performance databases capturing views, reach, engagement, follower growth, and revenue metrics to drive executive data-driven decision-making.
- Conducted comprehensive competitor benchmarking and industry analysis utilizing analytical tools including SocialInsider, Social Blade, Meta Business Suite, and YouTube Studio to capture emerging content opportunities and market trends.
- Evaluated audience demographics, retention patterns, and content consumption behavior to extract actionable performance insights and optimize Meta Ads targeting strategies.
- Supported the structural evaluation of proprietary intellectual property (IP) programs and content formats by measuring key performance metrics against internal benchmarks to isolate areas for strategic improvement.
- Monitored evolving digital trends, audience preferences, and platform algorithm updates continuously to ensure broad content strategies remained competitive and algorithmically sound.

Achievements:

- Systematized cross-platform performance tracking across 5 major social networks, delivering centralized daily insights that optimized ad spend and boosted content relevancy for core audience segments.

Lyfe Foto – Bogor City, Indonesia

Admin & Sales | Sep 2025 - Nov 2025

- Managed end-to-end sales administration, including client processing, customer order fulfillment, professional invoicing, and customer database maintenance to streamline operational workflows.
- Cultivated and sustained high-touch relationships with 10 to 25 accounts weekly, directly supporting retention, long-term sales growth, and customer satisfaction metrics.
- Prepared structured daily, weekly, and monthly sales performance reports to supply upper management with accurate revenue evaluations and decision-making data.
- Contributed actively to revenue growth by driving a documented 52.63% increase in sales performance over a concentrated 3-month operational cycle.
- Supported promotional campaigns and collaborated cross-functionally with internal execution teams to increase service delivery speed and capture local sales leads.

Achievements:

- Co-engineered a sales optimization process that directly secured a 52.63% increase in revenue metrics within a 3-month period while keeping client satisfaction ratings high.

PERHUMAS - South Jakarta, Indonesia

Content & Social Media Intern | Mar 2023 - May 2023

- Controlled daily publishing operations and content scheduling pipelines for the official @perhumas_indonesia Instagram account.
- Designed and executed targeted multimedia assets for Instagram aligned strictly with pre-approved content pillars and communication plans.
- Edited high-engagement Instagram media formats to cultivate community interaction, maximize reach, and elevate brand storytelling.

Achievements:

- Successfully drove a 25% increase in total engagement metrics and expanded the organic follower base by 10% within a three-month internship framework.

PT. Thinksmart Ide Brajendra (THINK.WEB) – South Jakarta, Indonesia

Digital Strategist Intern | Sep 2022 - Dec 2022

- Conducted foundational market research, demographic audience profiling, and consumer behavior analysis via targeted brand case studies to measure the efficacy of Mindful Marketing strategies.
- Evaluated Brand Strategy Pyramid frameworks, competitive positioning, and campaign narratives for high-profile consumer brands including Chitato Lite, Panasonic, Bebelove Gold Soya, and L.A Ice Purple Boost.
- Formulated strategic recommendations for communication headlines, campaign taglines, and messaging framework options anchored on extracted consumer insights.
- Analyzed specific target demographics, trending market vectors, and digital communication channels to isolate competitive positioning gaps for client consideration.

- Prepared and delivered polished strategy decks and operational recommendations to internal leads to advance digital marketing, brand design, and integrated communication objectives.

Achievements:

- Delivered comprehensive structural evaluations for 4 prominent market brands, generating brand-positioning insights that helped refine client-side digital marketing architectures.

Kabupaten Bogor Mengajar – Bogor City, Indonesia

Public Relations Officer | Mar 2019 - May 2022

- Produced, curated, and distributed weekly organic digital assets for the Kabupaten Bogor Mengajar Instagram channel (@Kab.bogormengajar).
- Managed active Instagram operations, published creative content campaigns, and maintained consistent real-time dialogue with the digital community.
- Collaborated closely with local regional stakeholders and community leaders to strengthen institutional trust and accelerate educational outreach visibility.

Achievements:

- Spearheaded a structured messaging strategy that secured a 40% growth in public brand awareness across the target regional ecosystem.
