Pondok Gede, Bekasi, West Java, 17413

A fresh graduate in Communication Studies with a concentration in Journalism from Muhammadiyah University Prof. Dr. Hamka, with an interest in social media management, content creation, and digital communication. Gained experience managing social media during an internship at PT Hutama Karya Infrastruktur, including developing content plans, scheduling content, copywriting, media planning, and producing digital content. Possesses skills in video editing, photography, videography, and storytelling, and is accustomed to following social media trends to produce creative and engaging content. Adaptable, communicative, and able to work both collaboratively and independently in a dynamic work environment.

EDUCATION

Muhammadiyah University of Prof. Dr. Hamka 

Sep 2022 - Jul 2026

Bachelor of Communication Science, 3.84/4.00

The curriculum focuses on journalism, broadcasting, and digital media production. Students study news writing, reporting techniques, online journalism, media production, and mass communication. Throughout the program, students actively work on various journalism projects as reporters, news writers, and video editors, and develop skills in public speaking, digital content production, and teamwork through various academic and organizational projects.

EXPERIENCE

PT Hutama Karya Infrastruktur 

Sep 2025 - Dec 2025

Corporate Communication Intern

- Brainstorming content ideas, editing, and creating a weekly content schedule to ensure consistent content uploads every week
- Planning content needs for important dates such as anniversaries or commemorative days, so that necessary content is not overlooked and can be uploaded on the required dates
- Crafting content scripts for voice-overs, so that the uploaded content isn't too monotonous and captures the audience's attention
- Developing a monthly social media media plan, so that content to be uploaded the following month can be managed effectively and structured according to the established media plan
- Serve as the Sponsorship Point of Contact (PIC), responsible for managing and organizing sponsorship files and coordinating with sponsors, so that the selection, approval, and documentation processes for partnerships run in a more structured and effective.

ORGANIZATIONAL EXPERIENCE & ACTIVITIES

National Seminar: Bangun Generasi Tangguh Hadapi Perubahan Iklim

Jun 2025 - Jul 2025

Documentation & Team Editor

- Took high-quality photos and videos of various seminar sessions, including speakers and approximately 100 participants.
- Collaborated with the team to plan and coordinate documentation activities during the seminar, ensuring the event ran smoothly.
- Edited photo and video content for publication, including creating highlight videos and photo albums, to ensure the publication process was carried out effectively.
- Managed and archived all documentation materials in a structured manner, ensuring they were easily accessible to the team and other stakeholders so that the team could easily view and search the documentation.

- Create flyers and banners to publicize the seminar to the public, thereby attracting students to attend the seminar. Also, create e-certificates to be issued to seminar participants, speakers, and the organizing committee.

Gender Communication Course **Group Coordinator**

May 2025 - Aug 2025

- Developing content ideas on gender inequality to be produced as videos on Instagram, so that the uploaded videos could reach an audience of up to 2,000 viewers or more.
- Coordinating the five group members to reach a consensus on a single idea that could be approved and begun to be worked on collaboratively.
- Presenting the video uploaded to Instagram to the instructor of the Gender Communication course and receiving positive feedback to help improve the group's Instagram account and attract more viewers and likes.
- Served as the video editor for the group and helped define the video concept, ensuring the editing process ran smoothly, resulting in the highest possible grade from the instructor and attracting a large audience for the video

Content Creation for the Online Media Production Course **Group Coordinator**

Mar 2025 - Aug 2025

- Providing content ideas to be produced as videos or photos on TikTok, so that the photos and videos uploaded can reach an audience of up to 6,000 viewers or more.
- Coordinating the five group members to reach a consensus on an idea that everyone agrees on and can begin working on together.
- Presenting the finished video uploaded to TikTok to the instructor of the Online Media Production course and receiving positive feedback to help improve the group's TikTok account and attract a larger audience.
- Served as the editor for the group's video production and helped define the video concept, ensuring the editing process ran smoothly, resulting in the highest possible grade from the instructor and attracting a large audience for the video.

News Production Course **Creative Team & Reporters**

Nov 2024 - Jan 2025

- Communicate the ideas and concepts for the video to be produced to all team members and hold discussions to determine the location and issues to be covered as news stories, so as to gather creative ideas from all members and combine all those ideas into a single concept.
- Collaborate on the ideas provided as input to develop a single concept approved by all team members, specifically a news report covering both hard news and soft news.
- Write a script to be read by the news anchor, ensuring the news report is accurate and easily understood by the anchor or presenter.
- Reporting the news as a reporter in a segment on soft news covering the situation at Ragunan ahead of the 2024 Christmas and New Year's holidays, during which the report was delivered improvisationally without reading from a script.
