EXPERIENCE OF COLLEGE PROJECT

Jurnalisme Audio

Writer

SEMESTER 3

It is a course in semester 3 whose output is radio broadcasting. I gained valuable experience such as listening, interviewing, communicating with sources when working on this assignment. Then, this semester was also the first time I learned to be a script writer.

- Preparing questions for interviewing sources
- Interviewing sources
- Creating scripts for announcer broadcasts
- Creating news features that are broadcast.

Jurnalisme Audio Visual

Writer

SEMESTER 4

It is a course in Semester 4 whose output is broadcast on TV. In this course I learned about management and maintenance in TV broadcast programs.

- Preparing questions for interview sources
- Assisting reporters in coverage
- Creating scripts for announcer broadcasts
- Creating news features that are broadcast.

Periklanan

Script Writer

SEMESTER 5

This is a course in semester 5 where the output of the assignment is an advertisement for a product. In this course I learned to develop creative thinking skills to prepare ideas for making advertisements, so that the message we create is conveyed to the audience.

- Developed advertising concepts and scripts to communicate product messages effectively to target audiences.
- Researched relevant issues to support content development and message delivery.
- Produced an advertisement on diabetes awareness that received positive feedback from lecturers and peers.

Jurnalisme Digital

Writer

SEMESTER 5

It is a course in semester 5 where for 1 month we create content with 3 contents each week. The content is published on Facebook, Instagram, and TikTok platforms.

- Produced digital content across Facebook, Instagram, and TikTok as part of a one-month publishing project.
- Researched weekly topics and developed content angles based on relevant issues for digital audiences.
- Wrote Facebook articles and TikTok scripts, publishing 5 Facebook articles within one month.
