CURRICULUM VITAE

PROFESSIONAL SUMMARY

Creative Broadcast and TV Content professional with 4 years of experience in television programming, content development, editorial strategy, promotion, and audience-driven content planning. Experienced in developing promotional ideas and content strategies, collaborating with Programming, Production, Promotion, and Marketing teams to strengthen program performance and audience engagement. Strong storytelling, copywriting, content analysis, and communication skills, with a deep understanding of television audiences, on-air branding, and entertainment trends.

EDUCATION

2017-2021

Bachelor of Science: English Education
University of Brawijaya – Malang, East Java
GPA (3.58 / 4.00)

EXPERIENCE

November 2022 – 2026

Acquisition Officer

SCTV – Jakarta

- Curated, evaluated, and developed television content across various genres, including sinetron, FTV, infotainment, reality shows, music, and variety programs, based on audience preferences, ratings performance, and market trends.
- Collaborated closely with Programming, Production, Promotion, and Marketing teams to develop creative content and promotional strategies that strengthened program performance, audience engagement, and brand visibility.
- Successfully contributed to the content and programming strategy of SCTV's infotainment programs, including Hot Shot, Halo Selebriti, and Status Selebritis, helping strengthen their audience appeal and establish them as the No. 1 infotainment programs in their respective broadcast time slots.
- Analyzed television ratings and audience share data to evaluate program performance and support content acquisition and programming decisions.
- Conducted market research and monitored entertainment trends, competitor programming, and emerging content opportunities to identify potential programs and formats for SCTV.
- Coordinated with production houses and external content partners regarding content availability, program proposals, acquisition opportunities, and programming requirements.
- Monitored cinema releases and entertainment industry developments to identify potential acquisition opportunities for television and digital platforms.

- Coordinated with relevant regulatory institutions, including the Indonesian Broadcasting Commission (KPI) and Film Censorship Board (LSF), to support content compliance with broadcasting regulations.
- Participated in the development and execution of major SCTV programs and events, including content planning, program coordination, and promotional initiatives.

June 2020 – June 2022

Brand Ambassador

Primagama – Malang, East Java

- Attended public events with communities, businesses and media to promote brand updates and increase awareness.
- Worked with the advertising, marketing and sales department to communicate ideas for promotions on social media and blogs.
- Used platforms such as social media, blogs and newsletters to increase positive awareness for brands.
- Attended interviews with media and press to answer questions on brand updates, promotions and highlights.
- Cultivated excellent community, business and media relationships by answering questions promptly, professionally and knowledgeably.
- Created clever, appealing and innovative social media posts to increase brand awareness, creating elements such as captions, images and relevant hashtags.
- Assisted in the organisation of marketing and promotional events such as networking events and shows.
- Used social media platforms such as Instagram, Facebook, LinkedIn, YouTube, Twitter and TikTok to increase brand awareness.

August 2020 – October 2020

English Teacher

Junior High School 5 – Malang, East Java

- Maintained outstanding student progression by delivering interactive lessons which engaged and motivated learners.
- Planned, designed and produced high-quality teaching materials, increasing student productivity.
- Evaluated students' comprehension of lessons through relevant test questions.
- Assigned reading and homework with reasonable deadlines and detailed instructions.
- Discussed pupils' progress with parents and carers, building open and honest relationships.
- Used visual aids and object pictures to help students obtain a better understanding of translations.

January 2016 – December 2016

Journalist Intern

Istana Wakil Presiden – Central Jakarta, Jakarta

- Delivered broadcast reports clearly and concisely, timing content to exact audio requirements.
- Edited interview audio files precisely, selecting relevant clips for broadcast and distributing accordingly.
- Used exceptional communication and relationship-building skills to build rapport with interviewees, maximising usable content.

- Proofread articles to make sure spelling, grammar and content were correct and in line with brand style.
- Worked accurately and efficiently to deliver faultless content against strict publication deadlines.
