EDUCATION

Universitas Muhammadiyah Yogyakarta - Indonesia

Sep 2021 - Mar 2025

Bachelor of Social & Political Sciences (International Relations), 3.82/4.00

- Relevant Coursework: Public Affairs, International Communication, Government Relations, Diplomacy & Negotiation, Public Policy

PROFESSIONAL EXPERIENCE

Immigration Class I TPI - Tanjungpinang, Indonesia

Nov 2025 - May 2026

Public Relations Intern – Ministry of Manpower RI Program

- Developed and executed public-facing communication content across institutional digital channels, generating 469K+ views and 79K+ reach and strengthening institutional visibility and public engagement.
- Managed institutional brand communication by translating immigration policies, services, and public information into clear, accessible, and audience-oriented content while maintaining consistent institutional messaging.
- Monitored media coverage, public sentiment, and emerging issues to identify communication risks and support institutional reputation management.
- Developed informative and non-confrontational communication content to clarify misinformation and address public concerns, helping maintain public trust and prevent further negative sentiment.
- Supported external communications and issue management by ensuring public-facing messages were accurate, consistent, and aligned with institutional communication objectives.
- Coordinated media relations and stakeholder engagement, including journalist invitations, communication planning, event coordination, and institutional liaison.
- Developed press materials, website articles, campaign materials, and multimedia content for public-facing communication initiatives.

Universitas Muhammadiyah Yogyakarta - Bantul, Indonesia

Feb 2025 - Oct 2025

Assistant Lecture

- Coordinated academic communication among lecturers, administrative staff, and 150+ students, ensuring effective dissemination of policies and program updates.
- Prepared analytical reports and performance evaluations to support program improvement and administrative decision making.

Consulate General of Indonesia - Jeddah, Saudi Arabia

Jul 2024 - Aug 2024

Intern (Information Social and Cultural Affairs, Consular & Immigration)

- Supported media relations and stakeholder engagement for international events involving 500+ participants, collaborating with diplomats, government institutions, community leaders, and media representatives.
- Drafted press releases, website articles, media and multimedia communication materials for diverse audiences.
- Managed 150+ public inquiries daily, ensuring accurate, timely, and consistent public information delivery.
- Supported institutional social media and community-focused communication across Instagram, Facebook, and X.

SELECTED PROJECT

Integrated Public Service Platform Innovation

Project Initiator | Immigration Office Class I TPI Tanjungpinang

Key Competencies: Digital Communication, Service Innovation, Problem Solving, Process Improvement, User-Centered Design

- Identified recurring public communication challenges and initiated an integrated digital platform concept to improve information accessibility and service efficiency.
- Designed and developed the platform using Google Sites, integrating passport tracking through Google Sheets and supporting the implementation of an AI-assisted chatbot for public inquiries.
- Applied user centered problem solving and process improvement to streamline public information delivery and enhance service accessibility.

Coffee Morning - Media Engagement Program

- Planned and coordinated a media engagement forum, including discussion concept development, journalist invitations, event coordination, and liaison between institutional representatives and media.
- Supported relationship building with regional and national media through direct engagement and collaborative communication initiatives.
